**RE: SEAMAN, Robert Allen
Docket No.: 2:07CR00109-001
REQUEST RELEASE FROM
RESIDENTIAL REENTRY CENTER
(RRC) PLACEMENT**

Dear Judge Suko:

On March 13, 2012, the Court modified Mr. Seaman's conditions of supervised release to include placement at the Port of Hope, a residential reentry center (RRC) in Coeur d'Alene, Idaho, for a period of up to 180 days. Also, the Court ordered him to complete a mental health evaluation and follow any treatment recommendations of the evaluating professional. This modification was in response to the defendant's violation of supervised release on February 27, 2012, when he was arrested for assault/domestic violence.

The defendant began his placement at the RRC on March 20, 2012, and has been in compliance with the rules of the RRC. He completed a mental health evaluation on March 29, 2012. On August 2, 2012, the defendant plead guilty in Spokane County District Court to assault 4th degree domestic violence. He was sentenced to 22 days jail with credit for 22 days time served. Additionally, the no contact order between him and the victim was lifted on May 2, 2012.

Therefore, the undersigned probation officer respectfully recommends that Mr. Seaman be released from the RRC facility with all other conditions of supervised release to remain in effect.
